## **DISCLOSURES**

7. Any attempt by an entrant or other individual to deliberately damage or undermine the legitimate operation of the Contest, including, but not limited to, any fraudulent claims, is a violation of criminal and civil laws. Should such an attempt be made, the Sponsor reserves the right to seek remedies and damages from any such individual to the fullest extent permitted by law.
8. Should any draw indicate that an entrant is entitled to win a Prize and that representation is later deemed to have occurred as a result of an error of any kind in connection with the Contest, or as a result of fraud, then the entrant's eligibility to entitlement of such Prize will be decided in accordance with the terms and conditions of these Contest Rules.
9. If a dispute arises relating to a Prize won between an entrant and the Sponsor, a combination of factors will be assessed in determining if that entrant is in fact eligible to win a Prize. The Contest Judges will determine that entrant's entitlement to any Prize. In no event will the Sponsor be liable for more than the one (1) prize.

## **DISCLOSURES**

12. All issues and questions concerning the construction, validity, interpretation and enforceability of these Contest Rules, or the rights and obligations of all entrants and the Sponsor in connection with the Contest, shall be governed by, and construed in accordance with, the substantive laws of the Province of

Manitoba without regard to Manitoba conflicts of law principles. All entrants consent to the jurisdiction and venue of the Province of Manitoba.

13. The invalidity or unenforceability of any provision of these Contest Rules shall not affect the validity or enforceability of any other provision.
